Launch Network Central

Set up your locations

1. Right-click and Add New

2. Add Location, Server IP Address, Server Port. Click Save

3. Highlight Location and click Connected. A green dot will appear next to the Location when it is connected.

Add as many new locations as necessary.

NOTE: External IP Addresses are a must for locations that are outside your local network. Contact your IT person for port forwarding help.
Dashboard

Click on the date to select a range of dates for the dashboard to query.

The following are available statistics.

**New RO’s**: # of RO’s created within the dates selected, and total $ amount.

**RO’s Delivered**: # of RO’s delivered within the dates selected, and total $ amount.

Note: RO’s without delivery dates entered are not added to this total.

**Open RO Sales**: # of current open RO’s, and total sales $.

**Receipts**: # of payments received during date range selected, and total $ amount.

**Closed RO’s**: # of RO’s that have been closed, and total $ amount.

**Forecast**: # of RO’s scheduled out during date range, and total $ amount.

**Projection**: # of Closed RO’s + Forecast amount.

**Sales Goal**: The current goal for total sales within date range. (Pro rated monthly goal)

**Over/Under**: Projection compared to sales goal.

The Top Performing Insurance Companies are listed in the Top Performers Column. If all locations are selected, the Top Performing locations will be listed.

A/R Column has the Accounts Receivable information for the selected location.

These are all based on today’s date, NOT the date range selected.

**Current**: Balance of RO’s closed within the last 30 days.

**31-60 Days**: Balance of RO’s closed in the last 31 to 60 days.

**61-90 Days**: Balance of RO’s closed in the last 61 to 90 days.

**Over 90 Days**: Balance of RO’s closed more than 90 days old.

**A/R Total**: Total amount to be received.

Technician Performance from the selected location are totaled for this section.

**RO Hours Closed**: The total number of hours from all RO’s closed within the date range.

**Clocked Hours**: The total hours that all technicians have clocked.

**Overall Efficiency**: Closed RO Hours vs. Clocked hours.

**Non-Productive Hours**: # of hours that technicians have clocked into non-RO related jobs.
Analysis

See the KPINet Guide for details

Vehicle Inquiry

Here you can search for specific vehicles. Type the Name, Vehicle Make, RO#, or Claim# of the desired vehicle and click search.

Double Click on the customer name to bring up their Vehicle Status screen.

Admin

Here you can search for specific Insurance Companies, Employees, or Vendors from all your locations.
