F5

Enterprise Workload Dashboard

- Manage multiple locations instantly
- Check capacity and load level real-time
- Schedule remotely

F5

Ever wish you could remotely check capacity and loads for multiple shop locations, or efficiently schedule resources and man power to improve productivity? F5 allows you to see what you have Scheduled In, Work in Progress, & Non-WIP by job class for each location. Multiple shops have been raving about this new product, as it has helped them streamline shop processes and allowed for increased shop capacity. Let F5 launch your shop today.

F5 Load Leveling

Thursday, February 23, 2017

Location		EXPRESS			LIGHT HIT			MEDIUM HIT			HEAVY HIT			SUPPLEMENT			POP FLY			DEALER			REWORK			WARRANTY			TOTAL LOSS		
Name	Region	I	W	N	I	W	N	I	W	N	I	W	N	I	W	N	I	W	N	I	W	N	I	W	N	I	W	N	I	W	N
